Student Sport Ireland Position on Intersarsity Competition Fees. (From 2011/2012 AY)

Up to and during the 2011/2012 academic year fees charged by Intersarsity Organising Committees had incorporated a registration/affiliation fee, to facilitate the participation of students at an intersarsity competition, and a social charge, to cover the costs of hosting social and/or banquets events during or after the competition.

At its 31 March 2011 meeting CUSAI's Intercollegiate Committee advised that the Association will in future take the position that Directors of Sports and Sports Officers within its member institutions should only approve payment of the registration fee and that they should not make any contribution towards the cost of hosting social or banqueting events. In addition the Committee has advised that the Association no longer supports the hosting of event banquets as part of an official intersarsity event and that all Organising Committees be informed that they can no longer book hotel or other third party function rooms in the name of the host institute.

All queries in relation to the above policy can be directed to the SSI office at 01 6251173.
