Student Shooting Sport Selection

The Team Manager will submit to Student Sport Ireland the student shooter list for participation at the Championships. SSI High Performance Committee, aided by the selection criteria outlined above and student nomination forms submitted (see below), will review each student shooter nominated individually and adopt her/his nomination as appropriate.

1. The Team Manager will nominate eligible student shooters who have achieved the selection criteria to be considered for selection for the WUC by SSI HPC
2. All students being considered to participate at the WUCs must meet the FISU and SSI Eligibility Criteria for International Competitions published on the SSI web site. Please click on the following link to view the eligibility criteria: [SSI Eligibility Criteria for International Competitions](#);
3. All students nominated must complete and submit a student nomination form for the SSI HPC to review and ratify where appropriate.

Ultimately the decision of whether a student shooter is selected on the team that travels to the Championships rests with SSI High Performance Committee.

Nomination Forms:

To establish that individual student shooters meet the above selection criteria, FISU and SSI Eligibility Criteria and to subsequently facilitate submission of his/her Nominative Entry Forms to FISU students will be required to submit to Student Sport Ireland the following documentation and which are available to download from here: [2016 World University Championships](#):

- a completed stamped and signed hard copy of SSI's Student Nomination Form;
- hard copy Academic Eligibility form signed and stamped by the college registrar's office;
- two passport photos and
- a copy his/her passport page.
- Must have a valid Ammunition Form.

Please note that unsigned and unstamped forms will not be processed and will be returned to the individual student.

Age: The competitors must be at least 17 and less than 28 years of age on 1st January 2016 (i.e. students must be born between the 01/01/1988 and the 31/12/1998).

Funding: Student Sport Ireland itself will not be in a position to provide any funding to support student shooters participating at WUCs.

Ultimately the cost of participation is the responsibility of the student shooter but in many instances the NGB does provide significant support. In addition, the student's college may be in a position to also support his/her participation. It is advised that student shooters under consideration approach their Sports Officer in their college to indicate their interest in participating in the event at the earliest opportunity and to determine if the college may be in a position to support their participation.
